

What is Rotary International?

Rotary International was founded in 1905, and is the world's first service club organization, with more than 1.2 million members in 33,000 clubs worldwide. Rotary club members are volunteers who work locally, regionally, and internationally to combat hunger, improve health and sanitation, provide education and job training, promote peace, and eradicate polio under the motto Service Above Self.

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST, the development of acquaintance as an opportunity for service; SECOND, high ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society; THIRD, the application of the ideal of service in each Rotarian's personal, business, and community life; FOURTH, the advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

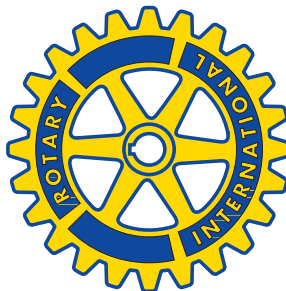

Palmetto Rotary

Founded in 1947, the Palmetto Rotary Club has made a name for themselves in the community through various service projects. On a local level, The Palmetto Rotary Club currently sponsors \$25,000 in college and vocational scholarships each year. We help families in need and provide manpower and financial support to schools north of the river when they experience shortfalls.

On an international level, Palmetto Rotary participates in the Adopt-A-Village program in Guatemala. Several of our members go to Guatemala each year and provide basic necessities, medical care, and build shelter and schools for these underprivileged communities.

Palmetto Rotary currently meets every Tuesday at Noon, at the Bradenton Yacht Club, 4397 Snead Island Road in Palmetto. We are looking for business owners, managers, community leaders, and volunteers that are committed to high ethical business practices, and have a passion for making our community and our world a better place to live.
